SECTION 4

Use of your child's image

Photographs and video are captured during the Pilgrimage, both by persons officially engaged by the Latin Mass Society to do this and by others, including bystanders. Images are posted instantly to social media, and this is difficult to police. We do ask everyone on the pilgrimage who takes photos or video to respect pilgrims' and volunteer's privacy and to avoid focusing on children. It is inevitable, however, that children's images will appear in the social media associated with the event, and these and others may subsequently be used by the Latin Mass Society for promotional purposes.

Please tick this box (or mark 'x' if using Word) to indicate that you understand and accept this:

By agreeing to images being used, you agree to assign any copyright or any other right of ownership of these images to the LMS

Go to **Section 5**.

SECTION 5

I give my express consent to my child, as named above, participating in the pilgrimage.

If I have named responsible adults above, I consent to them acting *in loco parentis* during the pilgrimage.

If my child is 16 or 17, I shall ensure a parent, legal guardian or responsible adult is present throughout the pilgrimage.

If my child is under 16, I shall ensure they are accompanied by a parent, legal guardian or responsible adult at all times.

I have read the Latin Mass Society's *Information for Pilgrims* booklet (latest version: 22 February 2024).
